THREE: DRAWING

Once the deadline for participation in the promotion has passed, a drawing will be held on **July 20, 2022** before a notary, Mr. David del Arco Ramos, at the following address: Avenida de Viñuelas 10, 12, in Tres Cantos, Madrid.

The drawing will be carried out before a notary public and will entail the random selection of winners from the list of participants, extracting ten (10) winners and twenty (20) backup winners to be called in the event that the winners cannot enjoy the prize for any reason.

FOUR: WINNERS

Those who have been selected as winners in accordance with these rules will be able to access the prizes. MA may require winners to certify their eligibility to participate in the promotion.

Each of the winners can aspire to a single prize only. If the same individual is selected as a winner on more than one occasion, another participant will be drawn and so on until all the winners and backup winners have been selected.

Once the drawing has been held, MA will contact the winners on the day of the drawing to inform them of their status as winners. Contact will be established by means of the mobile phone number that we have in our database. Likewise, the winners of the drawing will be published on the HOLABANK CLUB webpage (<https://club.holabank.es/es>).

Each winner will have to confirm acceptance or rejection of the prize at the time of the telephone contact made by MA.

In the event that, at that time, the winner does not want or cannot accept the prize in accordance with the conditions stipulated in these rules, MA will contact the winner again by telephone within a maximum period of forty-eight (48) hours to be counted from the date of the first telephone contact so that the winner may expressly state their acceptance or rejection of the prize.

In the event that, in the second telephone contact attempt, the winner does not expressly state their acceptance or rejection of the prize, it will be understood that the participant has rejected the prize, with MA being able to make use thereof by awarding the prize to the corresponding backup winner in the order drawn during the drawing carried out before a notary.

In the event that the winner cannot be contacted within twenty (20) business days after the drawing is held, they will lose their status as winner. In these cases, the next person on the list of backup winners obtained before a notary public will be notified as a winner.

FIVE: USE

The ten (10) Amazon cards have an expiration date of 10 years; thus, that the winners can use their prize whenever they want before the indicated expiration date.

MA is exempt from any liability arising from any circumstances attributable to third parties, regardless of the cause. This includes, for example, the malfunction of computer equipment or electronic communications networks – and, especially, MA is exempt from liability for external acts of bad faith which could affect the functioning of the promotion's mechanics. This includes (with this list not meant to be limiting in nature) mechanics such as the selection of the winners, the management of the promotion, and the acceptance and/or delivery of the prize. MA will likewise not be liable for transmission problems or loss of data not attributable thereto, nor for any services provided by third-party companies in relationship with the promotion and its implementation.

In the same sense, MA will not, under any circumstances, be held liable for any claims and/or damages of any nature (whether direct, indirect, and/or circumstantial, immediate or deferred), responsibility, loss, cost, or expense that may arise in conjunction with (or as result of) the promotion and/or the enjoyment of the prize.

In the event of any natural disaster or force majeure arising which keeps the promotion from being carried out and, in particular, which makes it impossible to undertake the promotion, MA will put an end thereto – a situation that would be made known to the participants in an acceptable manner as soon as possible. In any case, the participants hereby waive their right to file any claims, lawsuits, and/or or civil, commercial, criminal, or administrative cases, or to take any other type of action against MA.
